## CERTIFICATE

### The company

**Fine Industries (Pvt) Ltd.**  
71/A, Small Industrial Estate, Sargodha Road  
Faisalabad - 38000, Punjab, PAKISTAN

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **19.0.95859**

OEKO-TEX®  
CONFIDENCE IN TEXTILES  
**STANDARD 100**

14.HPK.49943 HOHENSTEIN HTTI

Tested for harmful substances  
[www.oeko-tex.com/standard100](http://www.oeko-tex.com/standard100)

### for the following articles:

**Woven and knitted fusible interlining made of 100 % polyester in white and black, as well as non-woven fusible interlining made of polyester/polyamide in white and charcoal; exclusively produced from material certified according to STANDARD 100 by OEKO-TEX®.**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate 14.HPK.49943 is valid until 31.10.2020**
